60TH ANNIVERSARY! BROTHER MIKE MCGRATH

Brother Mike studied with the Presentation Brothers during high school which motivated him to become a religious brother. He heard God calling him to be a brother and not a priest. He attended college at University College Cork and earned his Bachelor's degree in Math and Geography. He worked in Northern Ireland for 8 years during the war, Post Grad in London, and also took a counseling course in England before being asked to go to Lima, Peru by his Superiors. Despite his concerns with the language barrier he spent the next 33 years as a principal along with many other responsibilities enjoying everything he did there, the people of Peru being his favorite part. He spent the next 8 years in St. Lucia and in August of 2013 he came to the United States and has been ministering in the West Side of San Antonio. Vocations today no longer come from Ireland but from Ghana, Asia, Haiti and Grenada. He enjoyed all his assignments and most enjoyed living in community. He has been a parishioner of St. Dominic during the past 7 years. He will soon move to his new assignment on the Island of Grenada. God bless you for your vocation.

MEMORIAL OF ST. POPE PIUS X (AUG. 21ST)

“I was born poor, I lived poor, I will die poor.” These words were part of the will that Pope Pius X left at his death on August 20, 1914. He was born Giuseppe Melchiorre Sarto, the second of 10 children. His father was a poor parish clerk in Riese, Italy, and his mother worked as a seamstress. Every day, he walked five miles to school and back. At 15, he began attending the local seminary. When his father died, Giuseppe wanted to come home and help with the family. His mother, however, would not let him. In 1858, he was ordained and then worked as a parish priest for 17 years. He believed his call was to encourage those who were poor to lead Christian lives and to help them overcome financial problems. He was, however, named spiritual director of the major seminary and chancellor of the diocese. Later, he became a bishop and then a cardinal. In 1903, this little-known cardinal was elected to become Pope Pius X. He took as his motto “Restore all things in Christ.” He emphasized the importance of the Eucharist. He directed that children as young as seven should be allowed to receive the Eucharist. He initiated changes in Church music and worship. He began a biblical institute. He gave the first official impetus to modern liturgical renewal.

FEAST DAY OF ST. DOMINIC HOLY MASS

MARVELOUS! The word I use to describe the beautiful Feast of St. Dominic Holy Mass on Sat. August 8th. It started with a Rosary led by the Dominican Laity. A beautiful presentation of roses was made to our Blessed Mother Mary. We then celebrated Holy Mass. Bishop Boulette made several key points in his homily, but one that stood out the most was our need to take risks for the Lord! Take risks the way St. Dominic did, and how St. Peter did when Jesus asked him to come out and meet him in the water. Can you remember a time you took a risk for our Lord? How did it feel?
